

EXCEPTIONAL EXPERIENCES: SWITZERLAND

# Perfectly Swiss

Alpine hikes, Chocolate, Wine

**Private Chocolate Workshop in Zurich:** Creating premium chocolate is an art that requires great skill, dedication, and passion, and the Maîtres Chocolatiers of Lindt are masters of this craft. During your two-hour private workshop at Lindt, you'll make your own champagne truffles and enrobed pralines.

## Exclusive Wine Tasting:

**Visit the Lavaux Vineyard Terraces,** a UNESCO World Heritage site stretching along the northern shores of Lake Geneva, and, in the company of your private sommelier, enjoy the region's Chasselas and other varietals.

## Dinner on a Cable Car:

**On summer nights, the panoramic cabin of the Weggis–Rigi Kaltbad cable car is converted to a romantic restaurant.** Suspended between heaven and earth, dine high above majestic Lake Lucerne, enjoying delicious cuisine and panoramic views capped off with a glass of Kirsch.

**Hiking from Harder Kulm:** Travel by funicular up to the Harder Kulm, the mountain rising high above Interlaken, for top-of-Europe hikes and — from a steel-supported platform vantage — unrivalled views of the Eiger, Mönch, and Jungfrau, as well as Lake Thun and Lake Brienz.
